

# PART OF YOUR COMMUNITY

## Community Fundraising Program

Gone are the days of selling chocolate bars to fundraise! Why not turn a great group outing at a ballgame into a fundraiser for your charity or community. Through our Community Fundraising Program, your group can obtain London Majors tickets, you can then sell them to your supporters at face value, and not only does your group's supporters have a great day at the ballpark but the London Majors will also donate back 50% of the proceeds from the original ticket purchases . It's a no risk way to generate great revenue for your cause and have a great day at a ball game!

## Tickets for Kids

The London Majors "**Tickets for Kids**" program is a great way for organizations to give back to their community. Companies can purchase tickets to various Majors home games. The London Majors will match every ticket you buy to give disadvantaged kids the opportunity to enjoy a day at the ballpark. Each company involved in the program will receive positive mention in-stadium as well as in newspaper, on radio and/or TV.
